# CSWS manual

## Version 1

---

This user manual is for HROs to follow under the CSWS module in CSIS while

1. Updating CSWS membership status of regular Bhutanese civil servants;
2. Updating the contact number and email address of CSWS members;
3. Updating dependent details of the CSWS members;
4. Processing claims for CSWS members on the demise of their dependents;
5. Processing claims for the primary nominee while claiming for the demise of a CSWS member;
6. Processing claims for CSWS members who have superannuated on the demise of their spouse;
7. Processing claims for the spouse on the demise of the superannuated CSWS members;
8. Processing claims for the nominee on the demise of the CSWS member (existing or superannuated)
9. Verifying and processing claims made by the CSWS members thorough their individual CV

The manual only covers the above processes.

*Refund process by HRO* will not be included in this manual. The HROs are therefore requested to use only *Update*, *Process Claim* and *Claim Verification*.

The HROs are asked to be extra diligent while entering the CID number of the CSWS member and the dependents, as the CID number is the basis for all claims.

## Definition

**Authorized Claimant:** This is an authorized person who will collect the admissible benefit grant on behalf of the Primary Nominee/Nominee in the event of the CSWS member's demise. The authorization will have to come from the Primary Nominee/Nominee. Authorization by other dependents will not be accepted.

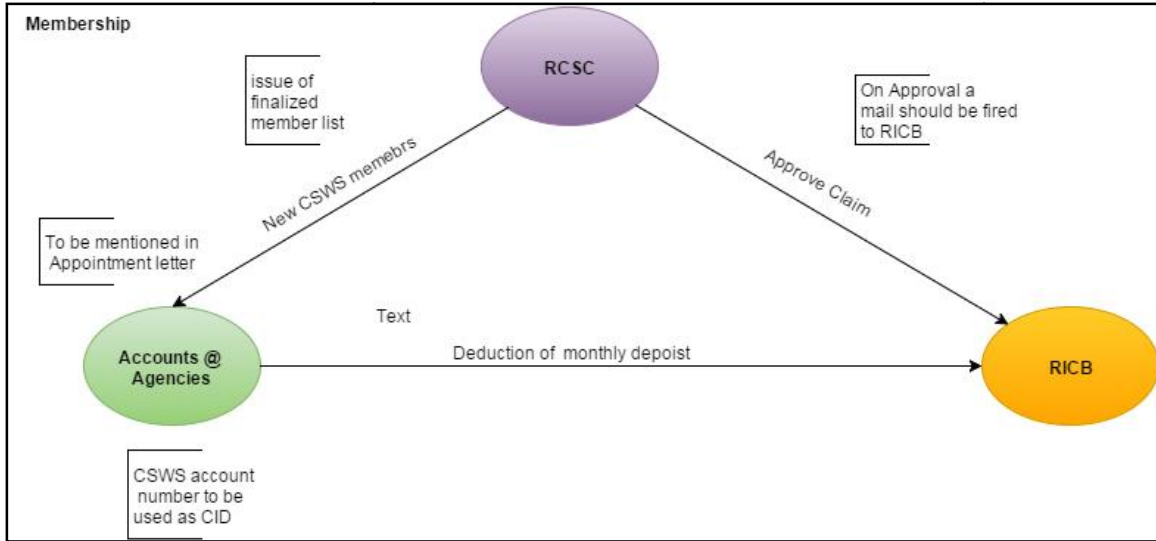

**Common Dependent:** A dependent who has been declared as dependent by more than one CSWS member.

**Nominee:** This is for CSWS members who do not have any dependents. The nominee can make the claim in the event of demise of the CSWS member. However the nominee is not covered by the scheme and the CSWS member will not be able to make the claim for the nominee.

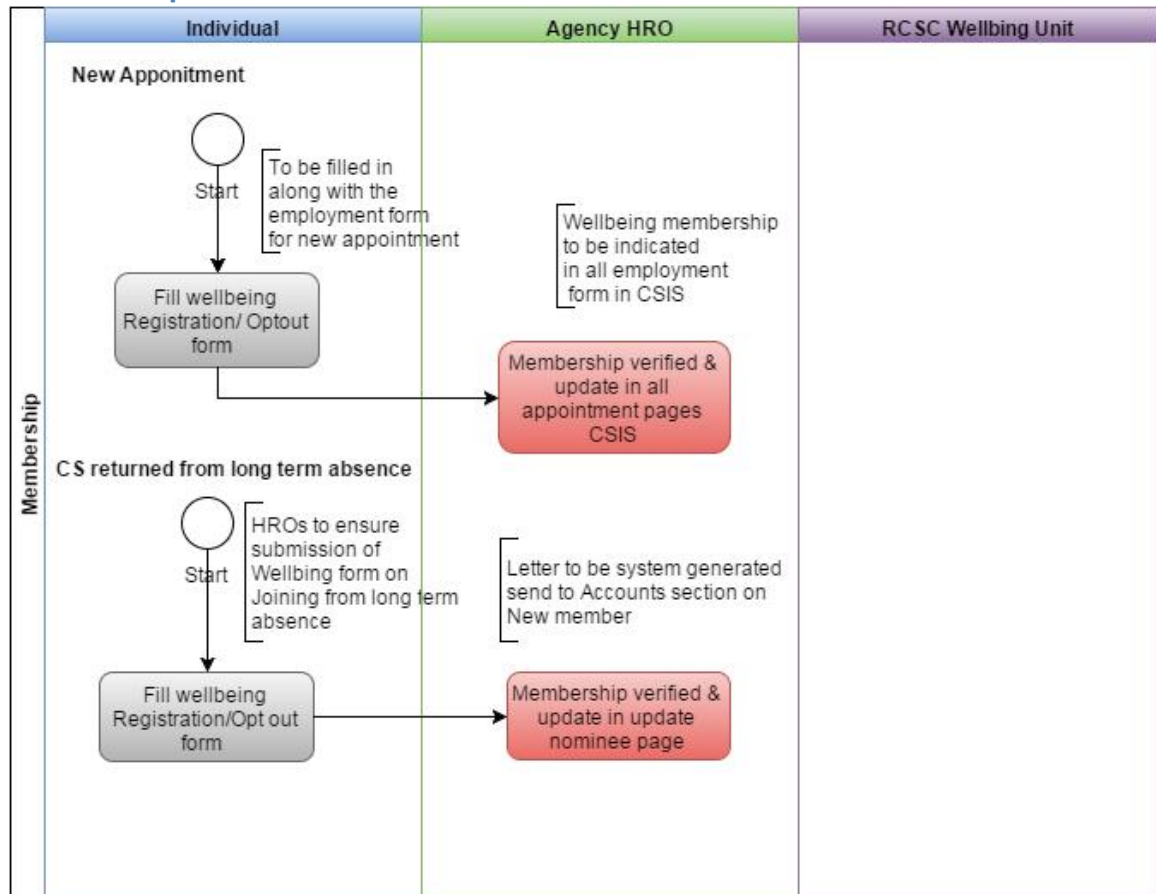

**Primary Nominee:** A Primary Nominee is selected from the list of dependents by the CSWS member who will make the claim in the event of the CSWS member's demise.

The HRO should also select the *Effective Date* of the membership.

[Note for HROs: Irrespective of the day the civil servant becomes a member, the month will be the effective month. Therefore the deduction as well as coverage for the civil servant and his/her dependents will be from the month the civil servant registers as a member]

### Step 2

Enter the correct email address and the most recent contact number of the CSWS members and press 'Update'.

Once the details have been updated, a pop up message "Member details successfully updated" will appear as shown below. A 'Print Letter' tab will also appear

The HRO can change the name, CID number and date of birth of the dependent of the CSWS member if it has been wrongly reflected but the HRO will have to upload supporting documents as well as provide justification for why changes have been made.

Once changes have been made and relevant documents uploaded, the HRO will have to 'Save' the information. Once saved, the following pop-up message will appear. Approval for any change will have to be given by the CSWS Admin at the RCSC. Only after approval has been given by the CSWS Admin will the HRO be able process any claims.

<sup>1</sup>The CSWS member must nominate a "Primary Nominee" from among his/her list of dependents who will make the claim in the event of demise of the CSWS member. No other dependent will be allowed to make the claim for the demise of the CSWS member

*Add New*
